STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are special purpose financial statements that have been prepared in accordance the requirements of the *Associations Incorporation Act 1991*.

The financial statements cover the National Parks Association of the Australian Capital Territory Incorporated (the Association) as an individual entity. The Association is an association incorporated in the Australian Capital Territory under the *Associations Incorporation Act 1991*.

The financial statements are prepared on an accruals basis and are based on historical costs. They do not take into account changing money values or current valuations of non-current assets. The accounting policies have been consistently applied unless otherwise stated.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial statements.

(a) Income Tax

The Association has an ABN and is registered for GST. The Association has applied for and received endorsement from the Australian Tax Office as an Income Tax Exempt Charity. The Association is prescribed under the Income Tax Act as a Deductible Gift Recipient and therefore does not maintain a separate Public Account for gifts.

(b) Non Current Assets

The depreciable amount of all non current assets are depreciated on a straight line basis commencing from the time the asset is held ready for use. The depreciation rate used for plant and equipment is 20%. Assets costing less than \$1000 are expensed.

(c) Revenue

Grant income is recognised as revenue in the year to which the associated expenditure relates. Accordingly, grants received in the current year for expenditure in future years are treated as grants in advance. Revenue from sale of goods is recognised upon the delivery of goods to customers. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

(d) Inventories

Inventory has been valued at the lower of cost and net realisable value.

During FY2015/16 the Association finalised the move of its banking from CBA to MECU (now called 'Bank Australia'). The CBA cheque account has been closed. In addition we now use TryBooking.com for credit card payments of membership fees, rather than maintain a merchant facility.
