

WORKSHOP OF CONSERVATION SOCIETIES

IN

**SOUTH-EAST NEW SOUTH WALES AND THE
AUSTRALIAN CAPITAL TERRITORY**

Canberra

19-20 April 1975

Sponsored by the National Parks Association of the
Australian Capital Territory Incorporated

AIMS

To bring together the information available on areas in south-eastern New South Wales suitable for declaration as national parks or wildlife reserves.

To find effective ways for conservation groups within the area to help one another to carry out this aim.

To enable conservation groups within the area to discuss common problems.
